*It is all in our hands to make
our country safe, secure,
inclusive, peaceful and harmonious.*

It is a chance for all human beings to know each other a bit better in a safe environment to break down all barriers and to erase fear caused by ignorance. Just one rule to follow: nurture old friendships and sow the seeds of new ones. We are striving to create a culture of peace, acceptance, mutual respect and harmony.

Bring your family and friends
and we will provide you FREE DINNER

*Most importantly, we would like you to share
your vision of our beloved, peaceful and inclusive
nation through poems, essays, songs, skits or
spoken words.*
